## FCC INFORMATION (U.S.A.)

### 1. IMPORTANT NOTICE: DO NOT MODIFY THIS UNIT!

This product, when installed as indicated in the instructions contained in this manual, meets FCC requirements. Modifications not expressly approved by Yamaha may void your authority, granted by the FCC, to use the product.

### 2. IMPORTANT:

When connecting this product to accessories and/or another product use only high quality shielded cables. Cable/s supplied with this product MUST be used. Follow all installation instructions. Failure to follow instructions could void your FCC authorization to use this product in the USA.

### 3. NOTE:

This product has been tested and found to comply with the requirements listed in FCC Regulations, Part 15 for Class "A" digital devices. Compliance with these requirements provides a reasonable level of assurance that your use of this product, in a commercial environment, will not result in harmful interference with other electronic devices. However, operation of this product in a residential area is likely to cause interference in some form. In this case you, the user, bear the responsibility of correcting this condition.

This product generates/uses radio frequencies and, if not installed and used according to the instructions found in the users manual, may cause interference harmful to the operation of other electronic devices. Compliance with FCC regulations does not guarantee that interference will not occur in all installations. If this product is found to be the source of interference, which can be determined by turning the product "OFF" and "ON", please try to eliminate the problem by using one of the following measures:

Relocate either the product generating the interference or the device that is being affected by the interference.

Utilize power outlets that are on different branch (circuit breaker or fuse) circuits or install AC line filter/s.

In the case of radio or TV interference, relocate/reorient the antenna. If the antenna lead-in is 300 ohm ribbon lead, change the lead-in to co-axial type cable.

If these corrective measures do not produce satisfactory results, please contact the local retailer that is authorized to distribute this type of product. If you can not locate the appropriate retailer, please contact Yamaha Corporation of America, Electronic Service Division, 6600 Orangethorpe Ave, Buena Park, CA90620

The above statements apply ONLY to those products distributed by Yamaha Corporation of America or its subsidiaries.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

### CAN ICES-3 (A)/NMB-3(A)

(can\_a\_02)

A 급 기기 ( 업무용 방송통신기자재 )

이 기기는 업무용 ( A 급 ) 전자파적합기기로서 판매자 또는 사용자는 이 점을 주의하시기 바라며, 가정외의 지역에서 사용하는 것을 목적으로 합니다 .

\* This applies only to products distributed by Yamaha Corporation of America.

(class A)

# PRECAUTIONS

## PLEASE READ CAREFULLY BEFORE PROCEEDING

Please keep this manual in a safe place for future reference.

### **WARNING**

**Always follow the basic precautions listed below to avoid the possibility of serious injury or even death from electrical shock, short-circuiting, damages, fire or other hazards. These precautions include, but are not limited to, the following:**

### **If you notice any abnormality**

- If any of the following problems occur, immediately turn off the PoE injector or the PoE network switch and disconnect the cable.
  - The LAN cable damaged.
  - Unusual smells or smoke are emitted.
  - Some object, or water has been dropped into the product.
  - There is a sudden loss of sound during use of the product.
  - Cracks or other visible damage appear on the product.

Then have the product inspected or repaired by qualified Yamaha service personnel.

### **Location and connection**

- Use a CAT5e or higher LAN cable to connect this product with a PoE injector or the PoE network switch. If you connect a cable that does not comply with specifications, or connect a flat type or slim type cable, fire or malfunctions might occur.

- Do not use the optional brackets for other speakers besides the ones specified. Doing so may cause an accident.
- Do not damage the LAN cable. Failure to observe this precaution could result in fire, electric shock, or damage to the product.
  - Do not place heavy objects on the cable.
  - Do not process the cable in any way.
  - Do not use staples to fix the cable in place.
  - Do not apply excessive force to the cable.
  - Be sure to keep the cable away from anything hot.

### **Do not open**

- Do not disassemble or modify this device (painting excepted).

### **Water warning/Fire warning**

- Do not expose the product to rain, use it near water or in damp or wet conditions, or place on it any containers (such as vases, bottles or glasses) containing liquids which might spill into any openings.
- Do not place any burning items or open flames near the product, since they may cause a fire.

### **Hearing loss**

- Before connecting the product to other devices, turn off the power for all devices. Also, before turning the power of all devices on or off, make sure that all volume levels are set to the minimum. Failing to do so may result in hearing loss, electric shock, or device damage.

### **CAUTION**

**Always follow the basic precautions listed below to avoid the possibility of physical injury to you or others, or damage to the product or other property. These precautions include, but are not limited to, the following:**

### **Location and connection**

- Do not place the product in an unstable position where it might accidentally fall over and cause injuries.
- Do not place the product in a location where it may come into contact with corrosive gases or salt air. Doing so may result in malfunction.
- Before moving the product, remove all connected cables.
- Be sure to contact a professional installer, if the speaker installation requires construction work, and make sure to observe the following precautions.
  - Choose mounting hardware and an installation location that can support the weight of the product.
  - Avoid locations that are exposed to constant vibration.
  - Use the required tools to install the product.
  - Inspect the product periodically.
- When transporting this product, take care not to drop it. Dropping this product may cause it to be damaged, or may cause personal injury.
- Do not route cables where someone might trip over them, such as in a location where people pass. Tripping on a cable may cause a person or this product to fall down, resulting in personal injury or damage to the product.

## Handling caution

- Do not hang heavy objects from this device.
- Avoid applying excessive force to the switches or connectors to prevent injuries.

Yamaha cannot be held responsible for damage caused by improper use or modifications to the product, or data that is lost or destroyed.

PA\_en\_9 2/2

## NOTICE

To avoid the possibility of malfunction/ damage to the product, damage to data, or damage to other property, follow the notices below.

### Handling and maintenance

Do not use the product in the vicinity of a TV, radio, AV equipment, mobile phone, or other electric products. Otherwise, the product, TV, or radio may generate noise.

Do not expose the product to excessive dust or vibration, or extreme cold or heat (such as in direct sunlight, near a heater, or in a car during the day), in order to prevent the possibility of panel disfiguration, unstable operation, or damage to the internal components.

Condensation can occur in the product due to rapid, drastic changes in ambient temperature—when the product is moved from one location to another, or air conditioning is turned on or off, for example. Using the product while condensation is present can cause damage. If there is reason to believe that condensation might have occurred, leave the product for several hours without

turning on the power until the condensation has completely dried out.

When placing the speaker face down, always place it on a flat surface.

Do not touch the speaker driver unit.

Air blowing out of the bass reflex ports is normal, and often occurs when the speaker is handling program material with heavy bass content.

Do not place vinyl, plastic or rubber objects on the product, since this might discolor the panel.

When cleaning the product, use a dry and soft cloth. Do not use paint thinners, solvents, cleaning fluids, or chemical-impregnated wiping cloths.

Do not use a LAN cable of a form that would place undue strain on the connector when connected to this product.

## Information

This is a class A product. Operation of this product in a residential environment could cause radio interference.

To prevent electromagnetic interference, use STP (Shielded Twisted Pair) cable.

### About this manual

The illustrations as shown in this manual are for instructional purposes only.

Apple, the Apple logo, and iPad are registered trademarks of Apple Inc. in the United States and in other countries.

The company names and product names in this manual are the trademarks or registered trademarks of their respective companies.

## About disposal

This product contains recyclable components.

When disposing of this product, please contact the appropriate local authorities.

For details on the open source license of Dante's Ultimo, refer to the website of the Audinate Corporation.

<https://www.audinate.com/software-licensing>

The model number, serial number, power requirements, etc., may be found on or near the name plate, which is at the rear of the unit. You should note this serial number in the space provided below and retain this manual as a permanent record of your purchase to aid identification in the event of theft.

# Introduction

---

Thank you for purchasing the Yamaha VXL1B-16P or VXL1W-16P speaker system.

This product is a speaker system used for amplifying sound in conference rooms and similar spaces. It allows the speaker system to be networked via a Dante network and PoE (Power over Ethernet). This owner's manual provides instructions for planning, installing, and setting up the system. Be sure to read this owner's manual before installation. Also, keep this guide in a safe place for reference after you have finished reading it.

## What you'll need

- **PoE injector or PoE network switch that complies with IEEE802.3at(PoE+) or IEEE802.3af**

This is used between this unit and a Dante device such as the MRX7-D in order to supply power to this unit.

PoE injectors or PoE network switches are collectively referred to as "PSE (Power Sourcing Equipment)."

- **Ethernet cable (CAT5e or higher)**

This is used between the Dante device such as the MRX7-D and the PSE, and between the PSE and this unit.

## About the software

### ProVisionaire Touch

ProVisionaire Touch is an application for remotely controlling this product from a tablet (iPad) via a Wi-Fi network.

### Dante Controller

Dante Controller is application software for setting up a Dante network and specifying audio routing from a computer.

This product is supported by Dante Controller V3.2.x and later. The computer on which Dante Controller is installed must be equipped with an Ethernet port that supports gigabit Ethernet.

For information about this software, refer to the Yamaha Pro Audio website.

<https://www.yamaha.com/proaudio/>

For details on how to download and install the software, and on detailed settings, refer to the above website and to the installation guide that is included with the downloaded program.

## Using the PDF manuals

Each user guide is an electronic file in PDF format. These files can be viewed on your computer. If you use "Adobe® Reader®" as the viewing software on your computer, you'll be able to quickly search for terms, print specific sections that you need, or click links to open the corresponding section. Searching for terms and following links are particularly convenient functions that are possible only with an electronic file. We encourage you to take advantage of such functions.

The latest version of Adobe Reader can be downloaded from the following website.

<http://www.adobe.com/>

## Included accessories

## Optional accessories

# Controls and Connectors

## Front panel

## Rear panel

### ① Power indicator

Lit green when power is being supplied correctly. This goes dark approximately 30 seconds after startup. During initialization, it flashes rapidly. It flashes when you execute the identification function from a controlling device.

### ② SYNC indicator

Indicates the operating status of the Dante network.

- If the indicator is lit green, this product is a clock follower and is synchronized to the clock.
- If the indicator is flashing green, this product is the clock leader.
- If the indicator is flashing orange at regular intervals, the word clock setting within the Dante network is incorrect. Use Dante Controller to set the clock leader and the sampling frequency correctly.

### ③ LINK/ACT indicator

Indicates the communication status of the Dante/NETWORK port. This flashes rapidly if the Ethernet cable is connected correctly.

### ④ Dante/NETWORK port

An RJ45 port for connection via an Ethernet cable (CAT5e or higher) to a Dante device such as the MRX7-D, through a PSE (Power Sourcing Equipment) unit.

- Do not connect this port to anything other than a Dante-enabled device or a gigabit Ethernet device (including a computer).
- The maximum length of cable that can be used is 100 meters.
- To prevent electromagnetic interference, use STP (Shielded Twisted Pair) cable.

### ⑤ Device settings DIP switches

Specify startup settings for this product. A label explaining these settings is affixed to the rear panel.

## Setting method

Turn off the power of the PSE (Power Sourcing Equipment) before you change these settings. Even if you change these settings while the power is on, the change is not applied until the power is turned off.

For details, refer to the following.

<b>DIP switch</b>	
<b>Position</b>	The DIP switch is in the upward position
<b>DIP switch</b>	
<b>Position</b>	The DIP switch is in the downward position

## DIP switches 1–4 (UNIT ID)

These specify the UNIT ID of this product. The UNIT ID is assigned as the value specified by DIP switches 1–4 plus 100, producing a value in the range of 101–115 (Hexadecimal 65–73). In the table below, “up” and “down” indicate whether the DIP switch is in the upward or downward position.

UNIT ID	DIP switch			
	1	2	3	4
101	down	up	up	up
102	up	down	up	up
103	down	down	up	up
104	up	up	down	up
105	down	up	down	up
106	up	down	down	up
107	down	down	down	up
108	up	up	up	down
109	down	up	up	down
110	up	down	up	down
111	down	down	up	down
112	up	up	down	down
113	down	up	down	down
114	up	down	down	down
115	down	down	down	down
RESERVED	up	up	up	up

### NOTE

If you are connecting multiple VX1B-16P or VX1W-16P units in the same network, set the UNIT ID for each device so that the IDs do not overlap. You can set the UNIT ID to a number other than 101 through 115 by setting the DIP switches to RESERVED. For more information, refer to the documentation for the corresponding applications, such as the remote protocol specifications.

**DIP switch 5**

Not used. Leave this at the factory setting (upward).

**DIP switch 6 (IP SETTING)**

Specifies how the IP address used for communication with external devices is set.

<b>DIP switch</b>	
<b>Setting</b>	UNIT ID
<b>Content</b>	The IP address is specified by the UNIT ID as "192.168.0.(UNIT ID)."

<b>DIP switch</b>	
<b>Setting</b>	PC
<b>Content</b>	If a DHCP server exists, the IP address is specified by the DHCP server. If a DHCP server does not exist, the IP address is specified by the link local address.

**NOTE**

With the factory settings this is set to UNIT ID.

**DIP switches 7 and 8 (START UP MODE)**

Specify the startup mode.

<b>DIP switch</b>	
<b>Setting</b>	RESUME
<b>Content</b>	The normal operating mode. When the power turns on, the unit starts up and maintains the state in which it was immediately prior to power-off.

<b>DIP switch</b>	
<b>Setting</b>	INITIALIZE
<b>Content</b>	Initializes the unit, returning it to the factory-set state (page 14).

# Installing the speakers

You can use the included mounting bracket to install the speaker on a wall.

- Before installation, make sure the installation area can support the weight of the speaker. Do not install on wallboard or similar materials.
- Do not install the speakers horizontally, as the speakers may fall.

## 1 Attaching the bracket base to the wall

- 1-1** Place the included template on the wall, to decide where the holes should go for the screws and cables.
- 1-2** Make holes in the wall for the cables, and pull the cables from the PSE (Power Sourcing Equipment) through the holes.
- 1-3** Install the bracket base onto the wall. Position the narrow part of the bracket base downward (towards the floor). The bracket base holes should be 5.3 mm in size.

## 2 Installing the mounting bracket and safety wire onto the speakers

2-1 Install the mounting bracket onto the speaker using the included screws (M5×10). Install both the upper and lower mounting brackets at the position of the third hole. Install the safety wire at the topmost hole position.

### CAUTION

- Use the included safety wire.
- If the included safety wire is not long enough, consider the weight of the speaker and the installation conditions, and procure an appropriate safety wire.

### 3 Set the device setting DIP switches

- 3-1** On the rear panel, set the device setting DIP switches (page 9) as appropriate for your installation.

#### NOTE

If you are connecting multiple VXL1B-16P or VXL1W-16P units in the same network, set the UNIT ID so that the settings do not overlap.

### 4 Connect to the Dante/NETWORK port

- 4-1** Connect an Ethernet cable (CAT5e or higher) from the PSE (Power Sourcing Equipment) to the Dante/NETWORK port.

#### NOTE

Connect the Ethernet cable to the LAN port of the PSE (Power Sourcing Equipment).

### 5 Attach the safety wire to the wall

#### CAUTION

Attach the safety wire above the speaker, and do not allow it to be slack.

### 6 Installing the main speaker unit onto the wall

- 6-1** Fit the bracket base together with the mounting bracket by inserting from the top, making sure to insert the mounting bracket all the way until the parts lock together.

#### NOTICE

- When installing the speaker, grasp it in the middle by its sides.
- Make sure that the mounting base and mounting bracket are locked together in two places, top and bottom.

When removing, pick up the entire speaker while lightly pushing to the left.

### 7 Make patch settings from Dante Controller

For details, refer to the Dante Controller user guide.

### 8 Power-on the PSE

# Initialization

---

If you want to return (initialize) the internal memory to its factory-set state, such as after changing the location of installation, proceed as follows.

- 1 Turn off the PSE (Power Sourcing Equipment).
- 2 On the rear panel, set device setting DIP switch 7 downward and switch 8 upward (INITIALIZE).

- 3 Power-on the PSE.

Initialization begins.

- During initialization:  
The POWER indicator flashes rapidly.
- When initialization is complete:  
The POWER indicator flashes slowly.
- If initialization fails:  
The POWER indicator is unlit.

## NOTICE

Do not power-off the PSE while initialization is in progress. This could cause malfunctions.

- 4 Verify that initialization is complete, and power-off the PSE.

- 5 Set device setting DIP switches 7 and 8 both in the upward (RESUME) position.

- 6 Power-on the PSE.  
The unit starts in the factory-set state.

# Painting

We recommend that you paint this product using acrylic lacquer.

## WARNING

Do not disassemble or modify this product (painting excepted). This could cause electrocution, fire, injury, or malfunctions.

## CAUTION

- Provide adequate ventilation while performing this work.
- When removing or attaching the grille, take care to avoid injury.

## NOTICE

- When using volatile solvents, be careful of fire. Failure to take care might cause fire or accidents.
- Damage caused by painting the speaker is not covered by the warranty.

## Painting the grille

- 1 Remove four screws each from the top and bottom panels of the speaker, and remove the top and bottom panels.

- 2 Taking care not to scratch the grille, slowly detach it from the speaker.

## CAUTION

When detaching the grille, wear gloves to avoid injuring your hand on the edge of the grille.

- 3 Remove the emblem from the surface of the grille. The emblem is fastened with adhesive tape.
- 4 Before painting, remove any dust or dirt from the grille. Do not use sandpaper.

- 5 Use spray paint to paint the grille.

**NOTE**

Make sure the holes in the grille do not become clogged with paint. If the holes become clogged with paint, sound quality may be affected.

- 6 When the paint is completely dry, attach the emblem to the grille.

## Painting the speaker enclosure

- 1 Before painting, remove any dust or dirt from the enclosure.  
Do not use sandpaper.
- 2 Use spray paint to paint the enclosure.  
Cover the speaker unit, baffle, and connectors using masking materials to avoid paint contact.
- 3 Allow the paint to dry completely.
- 4 After painting the speaker enclosure, top plate, and bottom plate, reattach the grille to the speaker.  
To do so, align the grille with the edge of the speaker and fit it into place.
- 5 Fasten the top panel and bottom panel using the screws that you removed.

# Attaching the horizontal coupling bracket (HCB-L1B)

## CAUTION

Do not attach the HCB-L1B horizontal coupling bracket to any product other than a VXL1 series speaker system unit.

### 1 Use the included screws to attach the bracket to the speaker.

If you are using this in conjunction with the wall mount bracket (WMB-L1), attach the horizontal coupling bracket (S) to the first hole from the top, and attach the horizontal coupling bracket (L) to the 7th and 8th holes from the top.

If you are using this in conjunction with the pole mount adapter (PA-L1B), attach the horizontal coupling bracket (S) to the first hole from the top, and attach the horizontal coupling bracket (L) to the 4th and 5th holes from the top.

Used in common with WMB-L1

Used in common with PA-L1B

# Attaching the wall mount bracket (WMB-L1)

- 1 Remove the pre-installed screws from the wall mount bracket (WMB-L1).

- 2 Place the template against the wall, and determine the location of the holes you'll use to attach the bracket base.

- 3 Install the bracket base onto the wall.  
The bracket base holes are 12 mm in diameter.

- 4 Attach the mounting bracket and safety wire to the speakers.

Attach the mounting bracket using the included screws. For the position at which to attach the mounting bracket and safety wire, refer to the following illustration.

**CAUTION**

Attach the safety wire above the speaker, and do not allow it to be slack.

- 5 Connect an Ethernet cable (CAT5e or higher) from the PSE (Power Sourcing Equipment) to the Dante/NETWORK port.

- 6 Insert the mounting bracket from above into the bracket base so that they fit together.

- 7** With the mounting bracket tightly fitted into the bracket base, provisionally secure the speaker using the angle adjustment bolt that you removed earlier.

- 8** Specify the vertical dispersion angle. Use the included hex wrench to securely tighten the two angle adjustment bolts.

**NOTE**

The guide stamped into the bracket base is in 2° increments.

- 9** Specify the horizontal dispersion angle. Securely tighten the screw located above the bracket base to set the desired dispersion angle.

# General specifications

General		
System type	Full-range, powered speaker, bass reflex	
Frequency range (-10 dB) *1	80 Hz - 20 kHz	
Coverage (-6dB)	Horizontal: 170° Vertical: 25° (+12.5° - -12.5°)	
Effective coverage (-10dB)	Horizontal: 180° Vertical: 30° (+15° - -15°)	
Maximum SPL (peak) *2 IEC noise@1m	102 dB SPL (when using PoE+ (IEEE 802.3 at))	
Transducer		
Component	1.5" (3.75 cm) Cone x16	
Enclosure		
Enclosure	Cabinet material	Aluminum extrusion cabinet
	Top/Bottom board material	ABS (UL94-5VB)
Metal grille	Perforated aluminum (t=1.0mm) Aperture ratio: 55%	
Finish	VXL1B-16P: Black painting (approximate value: Munsell N3.0) VXL1W-16P: White painting (approximate value: Munsell N9.0)	
Magnetically shielded	No	
Dust and water resistance	No	

\*1: Half space (2  $\pi$ )

\*2: Measured at 2 m; value converted to 1 m is shown (frequency range: 100 Hz – 10 kHz)

## General specifications

Dimensions (W × H × D)		Speaker only: 54 × 1120 × 104 mm With included bracket: 54 × 1120 × 111.5 mm

Программное обеспечение, используемое в данном устройстве, включает компоненты, соответствующие требованиям Программной лицензии университета Беркли (BSD).

Ограничения, налагаемые на пользователей программного обеспечения, выпускаемого под лицензией BSD, включают следующее: если пользователи распространяют подобное программное обеспечение в любом виде, в том числе без изменений, они должны включить в пакет: 1) отказ от принятия на себя ответственности; 2) оригинал уведомления об авторских правах; и 3) список положений о лицензировании.

Эти положения основаны на вышеизложенных условиях лицензирования и не касаются использования продукта вами.

## BSD 라이선스가 적용된 소프트웨어의 사용에 관한 설명

본 제품에 사용된 소프트웨어에는 BSD 라이선스를 준수하는 컴포넌트가 포함되어 있습니다.

일반적인 BSD 라이선스 하에 출시된 소프트웨어를 어떠한 형태로든 재배포할 경우 배포자는 소프트웨어 수정 여부와 상관없이 (1) 책임 면책 조항, (2) 원 저작권 고지 및 (3) 라이선스 규정 목록을 반드시 포함시켜야 합니다. 다음 내용은 위에 설명된 라이선스 조건을 기준으로 표시되었으며 제품 사용에는 영향을 미치지 않습니다.

## 关于使用 BSD 认证的软件

本产品包括组件使用的软件均符合BSD许可。

在典型的BSD许可下发布软件的用户，有如下限制：如果用户以任何形式重新发布软件，无论修改与否，需要包含(1)免责声明，(2)原版的版权信息和(3)规定许可的清单。

基于上述许可条件的如下显示内容不影响您对产品的使用。

## BSDライセンスソフトウェアの利用に関するお知らせ

本製品はソフトウェアの一部にBSDライセンスに従ったソフトウェアを利用しています。

BSDライセンスとは、無保証の旨の明記、著作権表示、ライセンス条文一覧の表示を条件としてプログラムの再頒布が許諾されるソフトウェアのライセンス形式です。次の内容は、上記ライセンス条件にもとづき表示されるものであり、お客様の使用制限等を規定するものではありません。

## 产品中有害物质的名称及含量

部件名称	有害物质					
	铅 (Pb)	汞 (Hg)	镉 (Cd)	六价铬 (Cr(VI))	多溴联苯 (PBB)	多溴二苯醚 (PBDE)
外壳、框架	×	○	○	○	○	○
印刷线路板	×	○	○	○	○	○
线缆类	×	○	○	○	○	○
扩音装置	×	○	○	○	○	○

本表格依据 SJ/T 11364 的规定编制。

○：表示该有害物质在该部件所有均质材料中的含量均在 GB/T 26572 规定的限量要求以下。

×：表示该有害物质至少在该部件的某一均质材料中的含量超出 GB/T 26572 规定的限量要求。

此标识适用于在中华人民共和国销售的电器电子产品。标识中间的数字为环保使用期限的年数。

## 保护环境

如果需要废弃设备时，请与本地相关机构联系，获取正确的废弃方法。请勿将设备随意丢弃或作为生活垃圾处理。

仅适用于非热带气候条件下安全使用。

#### Information for users on collection and disposal of old equipment:

This symbol on the products, packaging, and/or accompanying documents means that used electrical and electronic products should not be mixed with general household waste. For proper treatment, recovery and recycling of old products, please take them to applicable collection points, in accordance with your national legislation.

By disposing of these products correctly, you will help to save valuable resources and prevent any potential negative effects on human health and the environment which could otherwise arise from inappropriate waste handling.

For more information about collection and recycling of old products, please contact your local municipality, your waste disposal service or the point of sale where you purchased the items.

#### For business users in the European Union:

If you wish to discard electrical and electronic equipment, please contact your dealer or supplier for further information.

#### Information on Disposal in other Countries outside the European Union:

This symbol is only valid in the European Union. If you wish to discard these items, please contact your local authorities or dealer and ask for the correct method of disposal.

(weee\_eu\_en\_02)

#### Verbraucherinformation zur Sammlung und Entsorgung alter Elektrogeräte

Befindet sich dieses Symbol auf den Produkten, der Verpackung und/oder beiliegenden Unterlagen, so sollten benutzte elektrische Geräte nicht mit dem normalen Haushaltsabfall entsorgt werden.

In Übereinstimmung mit Ihren nationalen Bestimmungen bringen Sie alte Geräte bitte zur fachgerechten Entsorgung, Wiederaufbereitung und Wiederverwendung zu den entsprechenden Sammelstellen.

Durch die fachgerechte Entsorgung der Elektrogeräte helfen Sie, wertvolle Ressourcen zu schützen, und verhindern mögliche negative Auswirkungen auf die menschliche Gesundheit und die Umwelt, die andernfalls durch unsachgerechte Müllentsorgung auftreten könnten.

Für weitere Informationen zum Sammeln und Wiederaufbereiten alter Elektrogeräte kontaktieren Sie bitte Ihre örtliche Stadt- oder Gemeindeverwaltung, Ihren Abfallentsorgungsdienst oder die Verkaufsstelle der Artikel.

#### Information für geschäftliche Anwender in der Europäischen Union:

Wenn Sie Elektrogeräte ausrangieren möchten, kontaktieren Sie bitte Ihren Händler oder Zulieferer für weitere Informationen.

#### Entsorgungsinformation für Länder außerhalb der Europäischen Union:

Dieses Symbol gilt nur innerhalb der Europäischen Union. Wenn Sie solche Artikel ausrangieren möchten, kontaktieren Sie bitte Ihre örtlichen Behörden oder Ihren Händler und fragen Sie nach der sachgerechten Entsorgungsmethode.

(weee\_eu\_de\_02)

#### Informations concernant la collecte et le traitement des déchets d'équipements électriques et électroniques

Le symbole sur les produits, l'emballage et/ou les documents joints signifie que les produits électriques ou électroniques usagés ne doivent pas être mélangés avec les déchets domestiques habituels.

Pour un traitement, une récupération et un recyclage appropriés des déchets d'équipements électriques et électroniques, veuillez les déposer aux points de collecte prévus à cet effet, conformément à la réglementation nationale.

En vous débarrassant correctement des déchets d'équipements électriques et électroniques, vous contribuerez à la sauvegarde de précieuses ressources et à la prévention de potentiels effets négatifs sur la santé humaine qui pourraient advenir lors d'un traitement inapproprié des déchets.

Pour plus d'informations à propos de la collecte et du recyclage des déchets d'équipements électriques et électroniques, veuillez contacter votre municipalité, votre service de traitement des déchets ou le point de vente où vous avez acheté les produits.

#### Pour les professionnels dans l'Union européenne :

Si vous souhaitez vous débarrasser des déchets d'équipements électriques et électroniques, veuillez contacter votre vendeur ou fournisseur pour plus d'informations.

#### Informations sur la mise au rebut dans d'autres pays en dehors de l'Union européenne:

Ce symbole est seulement valable dans l'Union européenne. Si vous souhaitez vous débarrasser de déchets d'équipements électriques et électroniques, veuillez contacter les autorités locales ou votre fournisseur et demander la méthode de traitement appropriée.

(weee\_eu\_fr\_02)

#### Información para usuarios sobre la recogida y eliminación de los equipos antiguos

Este símbolo en los productos, embalajes y documentos anexos significa que los productos eléctricos y electrónicos no deben mezclarse con los desperdicios domésticos normales.

Para el tratamiento, recuperación y reciclaje apropiados de los productos antiguos, lívelos a puntos de reciclaje correspondientes, de acuerdo con la legislación nacional.

Al deshacerse de estos productos de forma correcta, ayudará a ahorrar recursos valiosos y a impedir los posibles efectos desfavorables en la salud humana y en el entorno que de otro modo se producirían si se trataran los desperdicios de modo inapropiado.

Para obtener más información acerca de la recogida y el reciclaje de los productos antiguos, póngase en contacto con las autoridades locales, con el servicio de eliminación de basuras o con el punto de venta donde adquirió los artículos.

#### Para los usuarios empresariales de la Unión Europea:

Si desea desechar equipos eléctricos y electrónicos, póngase en contacto con su vendedor o proveedor para obtener más información.

#### Información sobre la eliminación en otros países fuera de la Unión Europea:

Este símbolo solo es válido en la Unión Europea. Si desea desechar estos artículos, póngase en contacto con las autoridades locales o con el vendedor y pregúnteles el método correcto.

(weee\_eu\_es\_02)

### Informazioni per gli utenti sulla raccolta e lo smaltimento di vecchia attrezzatura

Questi simboli sui prodotti, sull'imballaggio e/o sui documenti che li accompagnano, indicano che i prodotti elettrici ed elettronici non devono essere mischiati con i rifiuti generici.

Per il trattamento, il recupero e il riciclaggio appropriato di vecchi prodotti, si prega di portarli ai punti di raccolta designati, in accordo con la legislazione locale.

Smaltendo correttamente questi prodotti si potranno recuperare risorse preziose, oltre a prevenire potenziali effetti negativi sulla salute e l'ambiente che potrebbero sorgere a causa del trattamento improprio dei rifiuti.

Per ulteriori informazioni sulla raccolta e il riciclaggio di vecchi prodotti, si prega di contattare l'amministrazione comunale locale, il servizio di smaltimento dei rifiuti o il punto vendita dove sono stati acquistati gli articoli.

#### Per utenti imprenditori dell'Unione europea:

Se si desidera scartare attrezzatura elettrica ed elettronica, si prega di contattare il proprio rivenditore o il proprio fornitore per ulteriori informazioni.

#### Informazioni sullo smaltimento negli altri Paesi al di fuori dell'Unione europea:

Questi simboli sono validi solamente nell'Unione Europea; se si desidera scartare questi articoli, si prega di contattare le autorità locali o il rivenditore e richiedere informazioni sulla corretta modalità di smaltimento.

(weee\_eu\_it\_02)

### Informações para os utilizadores relativas à recolha e eliminação de equipamentos usados

Este símbolo, presente em produtos, embalagens e/ou incluído na documentação associada, indica que os produtos elétricos e eletrônicos usados não devem ser eliminados juntamente com os resíduos domésticos em geral.

O procedimento correto consiste no tratamento, recuperação e reciclagem de produtos usados, pelo que deve proceder à respetiva entrega nos pontos de recolha adequados, em conformidade com a legislação nacional em vigor.

A eliminação destes produtos de forma adequada permite poupar recursos valiosos e evitar potenciais efeitos prejudiciais para a saúde pública e para o ambiente, associados ao processamento incorreto dos resíduos.

Para mais informações relativas à recolha e reciclagem de produtos usados, contacte as autoridades locais, o serviço de eliminação de resíduos ou o ponto de venda onde foram adquiridos os itens relevantes.

#### Informações para utilizadores empresariais na União Europeia:

Para proceder à eliminação de equipamento elétrico e eletrónico, contacte o seu revendedor ou fornecedor para obter informações adicionais.

#### Informações relativas à eliminação em países não pertencentes à União Europeia:

Este símbolo é válido exclusivamente na União Europeia. Caso pretenda eliminar este tipo de itens, contacte as autoridades locais ou o seu revendedor e informe-se acerca do procedimento correto para proceder à respetiva eliminação.
