

Overview

Workspace unit for a streamlined and productive working environment

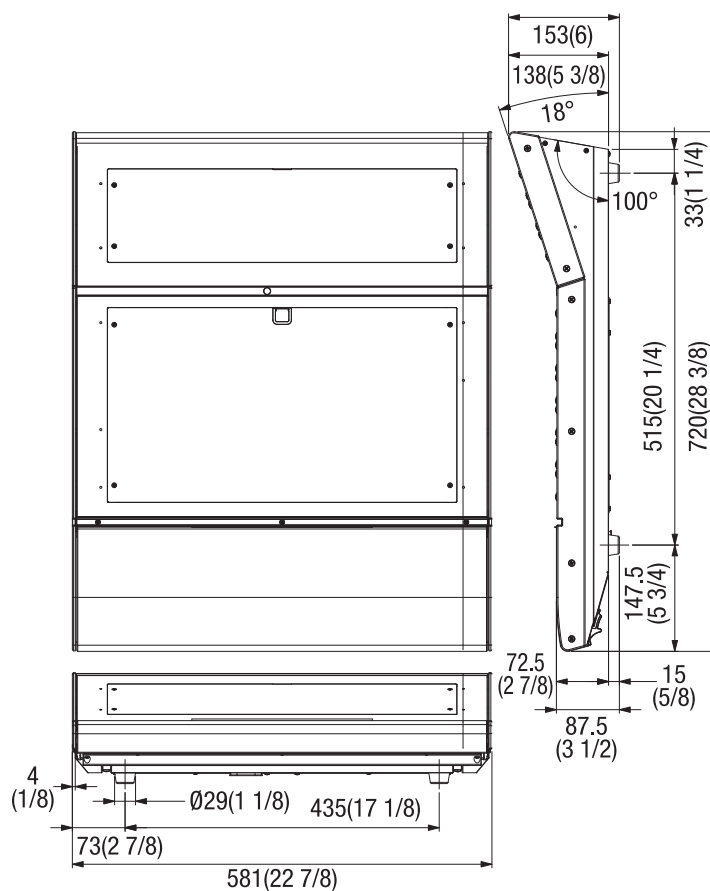

Features

- Dimensions and design are a perfect match for the Nuage Fader and Nuage Master units.
- Add a keyboard, surround panner, 19 inch rack mount devices, and other custom extras while maintaining overall workflow and visual unity.
- Two models: a large model that is the same size as the Nuage fader unit, and a small model that can be added to a Nuage Master unit to match the width of a standard 24" monitor display.

Dimensions

Unit: mm (inch)

Architectural and Engineering Specifications

The Yamaha Nws500-LG shall be a Large Nuage Workspace Unit with dimensions and design matched to the Nuage Fader and Nuage Master units. The Nws500-LG shall allow additional devices such as a keyboard, surround panner, 19" rack mount devices, and other custom extras to be added to a Nuage system while maintaining overall workflow and visual unity. The Large Nuage Workspace unit shall be the same size as the Nuage fader unit. Like the palm rests on the Nuage Fader unit, the Large Nuage Workspace unit shall include a compartment that can house a computer keyboard. Dimensions shall be 581 (W) x 153 (H) x 720 (D) mm. Weight shall be 14.5 kg.
